- 4.2 The Town reserves the right, at its option, to conduct "on site" visitations of any bidder's facilities. The purpose of the visit will be to assure the Town of the bidder's capabilities of successfully administering this contract. If, in the Town's opinion, any bidder does not have the required capabilities as listed herein, this shall be considered grounds for nonaward/cancellation.

- 5.2 Deliveries shall be made to the Town through either a verbal or written purchase order.

The providing of any insurance required herein does not relieve the bidder of any of the responsibilities or obligations assumed by the bidder in the contract awarded or for which the bidder may be liable by law or otherwise.

Failure to provide and continue in force such insurance as required above shall be deemed a material breach of the contract and shall operate as an immediate termination thereof.
