- 6.3 Time of delivery shall be stated as the number of calendar days following receipt of the order by the awarded vendor to receipt and acceptance of the goods or services by the Town.

1 SCOPE

The Town of Collierville is soliciting sealed bids for an annual contract to purchase cement treated aggregate base (CTB) for use by the Collierville Public Services Department. The Town purchases approximately 1,350 tons per year. The Town commonly purchases CTB by the ton, and may either pick up at the production plant or request delivery to a specific location within the town limits of Collierville.

2 QUALIFICATIONS OF BIDDER

All bidders must be financially stable and experienced and the Town will, among other things, consider such factors in determining to whom the bid shall be awarded.

3 BASIS FOR AWARD

Award shall be made to the bidder deemed by the Board of Mayor and Aldermen to be the best value (most advantageous to the Town) as determined by location of plant, general reputation and performance capabilities of the bidder, and responses to provided references, among other factors. Please see Section II, item 3.1 for additional criteria.

4 CONTRACT TERMS

This contract shall be for a period of one year with an option to extend for two additional years, one year at a time, for a total of three years. Renewals will be activated upon the Town of Collierville's request.

5 PRICING

- 5.1. Bidder will give pricing for cement treated aggregate base as specified below.
- 5.2. Bidder shall provide two separate unit prices per ton; one for product when the Town picks up product at the production plant, and another for product when delivery is requested at a specific location within the town limits of Collierville.

6 PRICE ADJUSTMENTS

- 6.1. Producer Price Index (PPI)
  - 6.1.1. Price adjustments may be authorized for line items and miscellaneous services based upon the latest version of the Producer Price Index (PPI) for Construction Sand, Gravel & Crushed Stone, WPU132101, as published by the U.S. Department of Labor, Bureau of Labor Statistics.
  - 6.1.2. Price adjustments may be requested only at the time of contract renewal.
- 6.2. Methodology

Price adjustments for line items and miscellaneous services shall be calculated by applying the simple percentage method to the PPI data. This method is defined as dividing the index value at the time of the calculation (latest version of the PPI published as of the date of request for price adjustment) by the index value of base period (final published data of the PPI for the base period (date of award), then multiplying the sum by the base price (price at the time of award). Formula is as follows:

$$\frac{\text{Index value at Time of calculation}}{\text{Index value of Base period}} \times \frac{\text{price at time of award}}{\text{adjusted price}} = \text{price}$$

6.3. Price Increases

- 6.3.1. Supplier may request a price increase for line items and miscellaneous services in accordance with the methodology outlined in this section. A price increase may be requested only at the time of the contract renewal.
- 6.3.2. To request a price increase, Supplier must submit a letter stating the amount of the increase to the Town of Collierville Director of General Services thirty (30) days prior to the contract renewal date. The letter must illustrate the methodology as outlined in this section by stating the index value of base period, index value at time of calculation, base price, adjusted price, actual dollar difference, and percentage of the price increase.
- 6.3.3. The price increase shall become effective upon approval of the contract renewal and increase by the Town Board of Mayor and Aldermen.
- 6.3.4. If the Board of Mayor and Aldermen does not approve the Supplier’s price increase, contract will remain in force as approved in prior year.

6.4. Price Decreases

- 6.4.1. If the PPI for Construction Sand, Gravel & Crushed Stone, WPU132101, as published by the U.S. Department of Labor, Bureau of Labor Statistics, has decreased during the term of the contract, or any renewals, the Supplier shall pass the decrease on to the Town in accordance with the methodology outlined in this section.
- 6.4.2. Supplier shall notify the Town Purchasing Agent of price decreases in the same way as for price increases set out above. The price decrease shall become effective upon approval of the contract renewal by the Town Board of Mayor and Aldermen.
