5.0 PRICING AND PAYMENT TERMS:

- 5.1 Prompt payment discounts will be taken into consideration in determining the award. However, an offer of a payment discount must allow a reasonable period of not less than thirty (30) days in order to be included in evaluation of bid pricing. Payment discounts restricted to payment in twenty-nine (29) days or less will not be considered in evaluating bids, as such a short time imposes an unreasonable burden for processing a payment, and the Town cannot be assured that timely action will be taken. A bid offering a payment discount in a period of less than thirty (30) days will be evaluated as a bid without a payment discount offer. Should this bidder obtain an award by reason of their gross price, the Town will hold the offer of payment discount and would make every effort to obtain the discount even if extraordinary action is necessary.
- 5.2 The Town reserves the right to accept any prompt payment discount offered by the successful bidder, however, time will be computed from date of receipt of correct invoice or receipt and acceptance of the shipment, whichever is later.
- 5.3 All prices shall be valid for a minimum of sixty (60) days from the bid opening date unless otherwise indicated in the bid request.
- 5.4 If there is a discrepancy between unit price and its extension, unit price shall prevail.
- 5.5 Prices will be considered as net if no cash discount is shown.

6.0 DELIVERY:

- 6.1 All deliveries shall be F.O.B. Collierville, Tennessee location in place/inside. Unless otherwise specified in the Invitation to Bid, all prices quoted by the bidder must be F.O.B. Collierville, Tennessee with all delivery, handling, surcharges and other charges included in the bid price. Failure to do so may cause rejection of bid. The Town will not pay any additional surcharges relative to this bid number.
- 6.2 The successful bidder shall not be responsible for failure to deliver materials or render services due to acts of God.
- 6.3 Time of delivery shall be stated as the number of calendar days following receipt of the order by the awarded vendor to receipt and acceptance of the goods or services by the Town.
- 6.4 Should deliveries not be made on time as outlined in the successful bidder's response sheet, then the Town has the authority to cancel any and all orders issued under this bid.

7.0 LIABILITIES:

- 7.1 The vendor shall hold the Town, its officers, agents, servants, and employees harmless from liability of any nature or kind because of use of any copyrighted, or uncopyrighted composition, secret process, patented or unpatented invention under this bid, and agrees to defend, at its own expense, any and all action brought against the Town because of the unauthorized use of such articles.

8.0 GRATUITIES:

- 8.1 Town of Collierville may, by written notice to the Bidder, cancel any contract and/or purchase order resulting from the bid without liability if it is determined by the Town that gratuities, in the form of

entertainment, gifts, or otherwise, were offered or given by the Bidder, or any agent or representative of the Bidder, to any officials or employee of the Town with a view toward securing a contract or securing favorable treatment with respect to the award, or the making of any determination with respect to the performing of such a contract. In the event the contract and/or purchase order is cancelled by the Town pursuant to this provision, the Town shall be entitled, in addition to any other rights and remedies, to recover or with hold the amount of the cost incurred by the Bidder in providing such gratuities.

- 14.1 When required, Bid Bonds may be submitted in the form of a Bid Bond or a Cashier's Check in the amount required.

- 14.1.2 If a Certified or Cashier's check, as stated above, is supplied, a deposit slip will be completed for the transaction and the check will be deposited within no more than three business days after the initial collection, as required by state law (T.C.A. § 6-56-111) and as per Town standard operating procedures for cash control activities (FIN-051). Unsuccessful bidders who supplied a Certified or Cashier's check will be reimbursed by the Town following the award of the contract.
- 14.1.3 The Town may accept a Letter of Credit, in lieu of a Bid Bond or Certified or Cashier's check, provided that the Bidder has contacted the Town no less than 7 business days, without exception, prior to the bid opening date and time to obtain a template of the language required by the Town to be placed in the Letter of Credit. Failure to use the Town specified Letter of Credit language when submitting the Letter of Credit as stated in the manner below shall result in a non-responsive bid.

15.1 There shall be no assignments, whatsoever to third parties (financial, etc.) unless expressly agreed to by the Town of Collierville in a separate written agreement. 5.1 General

5.1.1 The Town's Waste Water Treatment Plants (WWTPs) generate the following estimates of sludge per month.

5.1.1.1 Northwest WWTP – 310 – 385 tons per month

5.1.1.2 Shelton Rd. WWTP – 210 – 260 tons per month

Acknowledged: YES _____ NO _____

5.1.2 The WWTPs sludge presses operate between the hours of 7:00 a.m. to 3:30 p.m., Monday through Friday. This schedule produces five (5) to seven (7) 20 cubic yard (20 yd³) roll off containers of sludge per week at each plant with an approximate sludge weight of 0.83 tons/yd³.

Acknowledged: YES _____ NO _____

5.1.3 The Town intends to change to a tractor trailer or a larger roll-off container at the Northwest WWTP.

Acknowledged: YES _____ NO _____

5.1.4 A typical run day at each plant may be as follows:

5.1.4.1 Shelton Road WWTP

- Press is started by 7:30am.
- Hopper is full and ready for pick up by 1:30pm. Hopper can be picked up on the same day that it is filled or by 7:00am the next day. We prefer the next day pick up in case we run into press problems and have to run up to 3:00pm.
- We typically know at least 24 hours in advance if there will be a change in operation for an increase or decrease in the number of loads we will run. Shelton Rd. seldom changes from one load a day.

Acknowledged: YES _____ NO _____

5.1.4.2 Northwest WWTP

- The press(es) are started by 7:45am
- The first hopper is full and ready for pick up by 10:00am. The hopper is normally swapped out between 10:00am and 11:30am. The second hopper is full and ready for pick up by 1:30pm. Because this hopper is outside, we prefer that it be picked up by 3:00pm as to not leave a full hopper overnight due to odor issues.
- We typically know at least 24 hours in advance if there will be a change in operation for an increase or decrease in the number of loads we will run.

Acknowledged: YES _____ NO _____

5.1.5 The Town of Collierville reserves the right to adjust the schedule for sludge production to include both the hours and day(s) of the week.
