Development Department
Engineering Division

Phillip W. Lynn, P.E.
Town Engineer

500 Poplar View Parkway • Collierville, TN 38017 • (901) 457-2300 • FAX (901) 457-2354

To: All Building Permit Holder (Builders)
From: Division of Engineering
Date: March 30, 2011

RE: Erosion and Sediment Control Compliance

All Builders having obtained permit coverage from the Tennessee Department of Environment and Conservation (TDEC) for Storm Water Discharges Associated with Construction Activity are required to submit a Notice of Termination to TDEC and provide a copy to the Town Engineer upon meeting requirements for termination of coverage. It is the responsibility of the Builder to ensure that all applicable Federal, State and Local requirements have been met prior to requesting termination of coverage from TDEC. Furthermore, it is the responsibility of the Builder to complete the Construction Storm Water Inspection Certification form per TDEC requirements until such time as the Notice of Termination has been submitted.

Sincerely,

Phillip W. Lynn, P.E.
Town Engineer
