

TOWN OF COLLIERVILLE

PUBLIC NOTICE

The Town of Collierville, an equal opportunity employer, will conduct a Public Meeting on Thursday, June 30, 2016 at the Town of Collierville Board Chambers located at 500 Poplar View Parkway, Collierville, Tennessee.

The Town of Collierville in coordination with the Tennessee Department of Transportation (TDOT) is proposing to improve SR-57 (Poplar Ave.) from Eastley Street to SR-385 (I-269). Currently in the preliminary planning phase, this project will improve this section of SR-57 by providing four 12-foot travel lanes (two in each direction), a 14-foot continuous two-way left turn lane in the center, and two 4-foot bicycle lanes (one in each direction), and 5-foot sidewalks on both sides of the roadway. In addition, the proposed project would relocate the intersection of Eastley Street and SR-57 to be aligned with the intersection of Collierville-Arlington Road and SR-57.

This meeting will be held from 5:00 p.m. to 7:00 p.m. during which time there will be a presentation at 5:15 p.m. followed by an opportunity to view schematic layouts and a question and answer session. The public is invited to ask questions and make comments during the meeting and will be given the opportunity to make their opinions known concerning the need for the project and to present views on any alternative designs. Representatives from the Town of Collierville will be present to answer questions on any aspect of the project. The schematic layouts will be displayed and the public is invited to review the displays anytime within the scheduled two hours.

Persons having a disability that will require assistance to participate at the Public Meeting may contact Mr. Mark Heuberger at (901) 457-2210, Fax (901) 457-2207, or by email mheuberger@ci.collierville.tn.us, ten (10) days prior to the date of the meeting.

Written statements and other exhibits in place of or in addition to oral statements made at the Public Meeting must be submitted within twenty-one (21) days following the date of the meeting to the address below to be included as part of the NEPA documentation:
