DETAILED REQUIREMENTS / SPECIFICATIONS

**TOWN OF COLLIERVILLE, PURCHASING DIVISION
 500 POPLAR VIEW PARKWAY
 COLLIERVILLE, TN 38017
 PHONE: (901) 457-2253**

1. SCOPE:

It is the intent of these specifications to obtain sealed bids for furnishing and delivery of ready-mix concrete to various sites within the Town of Collierville on an as-needed basis. Bids will result in an annual requirements contract to supply the concrete at the unit prices bid and in accordance with the specifications of this bid.

2. TERM OF CONTRACT

The period of this Contract shall be for twelve (12) months. This Contract may be extended by the Town for two (2) additional successive twelve (12) month periods or portions thereof, up to a cumulative total of thirty-six (36) months, by written notice to the Contractor given at least thirty (30) days before the expiration of the term then in existence.

3. QUALIFICATIONS OF BIDDER:

All bidders must be financially stable and experienced and the Town will, among other things, consider such factors in determining to whom the bid shall be awarded.

4. PRICING/PRICE ADJUSTMENTS

Bidder will give pricing for ready mix concrete as specified below.

4.1. Pricing:

Bidder shall indicate unit pricing for the items required below, and any additional delivery costs on the Bid Response Form, included as Section IV of this Invitation to Bid.

Comply _____ Exception _____

4.2. Producer Price Index (PPI)

Price adjustments may be authorized for line items and miscellaneous services based upon the latest version of the Producer Price Index (PPI) for Ready-Mixed Concrete, WPU13330101C, as published by the U.S. Department of Labor, Bureau of Labor Statistics.

Price adjustments will be considered at the time of contract renewal; however price adjustments, if significant, may be considered before the renewal date. The Town's Board of Mayor and Aldermen will make the final decision regarding any requested price adjustments.

Methodology:

Price adjustments for line items and miscellaneous services shall be calculated by applying the simple percentage method to the PPI data. This method is defined as dividing the index value at the time of the calculation (latest version of the PPI published as of the date of request for price adjustment) by the index value of base period (final published data of the PPI for the base period (date of award), then multiplying the sum by the base price (price at the time of award). Formula is as follows:

$$\frac{\text{Index value at Time of calculation}}{\text{Index value of Base period}} \times \text{price at time of award} = \text{adjusted price}$$

Price Increases:

To request a price increase, Supplier must submit a letter stating the amount of the increase to the Town of Collierville Purchasing Agent. The letter must illustrate the methodology as outlined in this section by stating the index value of base period, index value at time of calculation, base price, adjusted price, actual dollar difference, and percentage of the price increase. The price increase shall become effective upon approval by the Town’s Board of Mayor and Aldermen. If the Board of Mayor and Aldermen does not approve the Supplier’s price increase, the current contract price will remain in force at the original contract price.

Price Decreases:

If the PPI for Ready-Mixed Concrete, WPU1333, as published by the U.S. Department of Labor, Bureau of Labor Statistics, has decreased during the term of the contract, or any renewals, the Supplier shall pass the decrease on to the Town in accordance with the methodology outlined in this section. Supplier shall notify the Town Purchasing Agent of price decreases in the same way as for price increases set out above. The price decrease shall become effective upon approval of the contract renewal by the Town Board of Mayor and Aldermen.
