PLACE OF EMPLOYMENT _____ PHONE NO. _____

ADDRESS _____ POSITION OR JOB HELD _____

This application is a request for you to place my rental property on your owner's reconnect program. I understand that when my tenant orders service off, the meter will automatically be read and service set up in my name, and I will be responsible for any consumption going through the meter. I also understand that it is my responsibility to verify that my new tenant establishes service in their name, or I am responsible until I order a disconnect or the new tenant establishes service. Under this agreement, the utilities will not generate back in the owner's name after a delinquent cut off in the tenant's name unless I verify that the tenant has vacated and request a turn on.

Participation in this program will result in no service connect fees after the initial establishment fee. To be exempt from future connect fees between tenants, an existing owner account must have been established for the address and applicable service fee paid.

Notice to have an address deleted from the owner's reconnect program must be submitted in writing. If a bill is not paid while in your name, it could result in the bill being charged to your existing account or any active account in the same name. Future connects could be refused for past due bills.

The property addresses to be placed on the owner's reconnect program:

	Acct #

The undersigned hereby makes application of utility service(s) and agrees to pay for said service(s) as measured by Town of Collierville Public Utilities metering devices in accordance with the applicable rates and charges as specified in the Town's rate schedule for the address until the Town of Collierville receives a request to discontinue the services or discontinues the service due to failure to comply to this agreement. The customer agrees to allow right of access to Town of Collierville Public Utilities agents on the customer's premises at all reasonable times and for necessary purposes. I/We assume responsibility for service beginning from connection date or until the Town of Collierville is notified of cancellation of service, that all billings rendered by said company shall be due and payable upon receipt. Failure to receive a bill does not release a customer from payment obligations. **Non payment of account will be reported to Memphis Consumer Credit. The customer shall pay all collection expenses or attorney fees due to default or failure to perform the obligations incurred as set forth in this agreement.** Information submitted to the Town of Collierville in this service agreement is correct and true to the best of my knowledge and belief.
